SUBJECT INDEX*

A

- Abdominal approach to cystourethrocele repair (Masters), 85
 hysterectomy, total, recurrent bleeding from vaginal vault following (Hecht and Blumenthal), 195
 pregnancy (King), 717.
- Abnormalities, epithelial, of cervix during pregnancy (Peckham et al.), 21
- ABO incompatibility, effect on Rh isoimmunization (Donohue et al.), 239
- Abortion, 1159 (Absts.)
 and premature labor, acute appendicitis cause of (Hoffman and Suzuki), 1344
 choriocarcinoma of uterus following (Novak and Seah), 935
 criminal, migration of foreign body following (Hall), 179
 habitual, progesterone implantation in (Swyer and Daley), 1159 (Abst.)
 incomplete, antibiotics and surgery in (Jones et al.), 825
 induced, ovarian function following (Suzuki and Watanabe), 596
 infected, antibiotics in (Jones et al.), 826
 repeated, estrogens in treatment of (de Guerrero), 214 (Abst.)
 spontaneous, cyclic ovarian function following (Hallett), 52
 therapeutic, changing indications for (Russell), 1159 (Abst.)
 threatened, prognosis and treatment, vaginal smear as guide to (Pierce and Cope), 47
- Abruptio placentae following trauma, blood coagulation defect associated with (Ostreich et al.), 435
- Absence of lower half of vagina, congenital, and hematocolpos (Henderson), 168
- Abstracts, abortion, 1159
 anesthesia, analgesia, 695
 cancer, 212, 461, 695, 1160
 contraceptives, 465
 dysmenorrhea, 219
 endocrinology, 214
 fertility, 465
 gynecologic operations, 216, 462
 gynecology, 215, 463, 696
 labor, management, 217
 malignancies, 212, 461, 695, 1160
 mammary glands, 219, 1160
 menstruation, 219
 miscellaneous, 1160
 newborn, 698, 1161
 pregnancy, complications, 219, 698
 physiology, 464, 1162
 puerperium, 222
 radiation, 465, 699
 sterility, 223, 465
 toxemia, 1163
- ACTH and cortisone treatment of toxemia of pregnancy (Margulis et al.), 1237
 effect of, on experimental hyaline membranes (Bruns and Shields), 1228
 treatment of Stevens-Johnson syndrome in pregnancy (Winston and Mastroianni), 674
- Acute appendicitis in pregnancy, a ten-year survey (Hoffman and Suzuki), 1338
 poliomyelitis, pregnancy complicated by, Pitocin induction in (Carpenter et al.), 663
- Adenocarcinoma of ovary and pregnancy (Gustafson et al.), 1218
- Adrenal adenoma, hirsutism as only clinical manifestation of (Jailer et al.), 201
 virilism in female child and adult (Taylor and Snow), 1307
- Adrenocortical carcinoma (Taylor and Snow), 1314
 function in toxemia of pregnancy (Venning et al.), 542
 hyperplasia, congenital (Taylor and Snow), 1307
- ADS activity in pregnant and nonpregnant patients (Hughes et al.), 784
- Advanced extrauterine pregnancy (King), 712
- Aerosols, alteration of hyaline membranes by (Bruns and Shields), 1232
- Aftercoming head in breech delivery, maneuver for release of (Rush), 1164 (Correspondence)
- Agenesis of kidneys, bilateral, in two consecutive infants (Baron), 667
- Air lock treatment of newborn, mortality before and after use of, in large maternity hospital (Bloxsom and Angelique), 647
- Amenorrhea, duration of, in ectopic pregnancy (Crawford and Hutchinson), 571
- American Association of Obstetricians, Gynecologists and Abdominal Surgeons, 64th annual meeting, Hot Springs, Va., Sept. 10-12, 1953, transactions of, 701, 933
 Board of Obstetrics and Gynecology, 228, 466, 931, 1166, 1380 (Items)
 obstetrical and gynecological societies, roster of, 229
 Society for Study of Sterility, 1166 (Item)
- Aminopterin, differential effect on action of estradiol and progesterone in monkeys (Zarrow et al.), 1139
- Amniotic fluid and thromboplastin, effect on experimental hyaline membranes (Bruns and Shields), 1227
 embolism, pulmonary (Martin and Fanger), 1148
 severe hemorrhage and maternal death associated with (Navori and Wissler), 432
- Analgesia and anesthesia in obstetrics (Greenhill), 451 (B. rev.)
- Analytical study of sterility (Simard), 297
- Anatomical contribution to problem of continence and incontinence in female (Power), 302
- Anatomy, Morris' human (Schaeffer), 457 (B. rev.)
- Androgens, influence of, on sexuality in women (Foss), 214 (Abst.)
 intermediary metabolism of, in normal females (Gomez Maestro and Botella Llusia), 215 (Abst.)
- Anemia in pregnancy, Vanderbilt cooperative study of nutrition in (McGanity et al.), 511
 megaloblastic, of pregnancy (Clarke and Essig), 367
 sickle-cell, of pregnancy, successful delivery after six previous unsuccessful pregnancies (Weinstein et al.), 684
- Anesthesia, analgesia, 695 (Absts.)
 in extrapulmonary tuberculosis and pregnancy (Schaefer et al.), 611
 and types of delivery in cardiac patients (Ullery), 838
 balanced, practice of (Shane), 1368 (B. rev.)
 in cesarean section (Posner et al.), 68
- Aneurysm, arteriovenous, of uterus (Williams), 198
 dissecting, of ascending aorta, associated with pregnancy (Sichel et al.), 429
- "Angiograms" found in course of hysterosalpingography, clinical analysis of, with special reference to tuberculosis of female genitals (Kika), 56

*January, pp. 1-232; February, pp. 233-466; March, pp. 467-700; April, pp. 701-932; May, pp. 933-1166; June, pp. 1167-1400.

- Ansprachen (Stoeckel), 458 (B. rev.)
- Antepartum roentgen pelvimetry, routine, in primigravidas (Marck and Melamed), 564
- treatment of cardiac patients (Ullery), 853
- Anterior ocular ovarian grafts in rabbit (Arzac), 1164 (Correspondence)
- Anteroposterior diameter of outlet (Kaltreider), 1057
- Antibiotics and surgery in incomplete abortion (Jones et al.), 825
- in cesarean section (Posner et al.), 69
- in infected abortions (Jones et al.), 826
- in urinary infections (Everett and Long), 918
- Aorta, coarctation of, and pregnancy (Kenwick and Wilson), 419
- dissecting aneurysm of, associated with pregnancy (Sichel et al.), 429
- Appendicitis, acute, in pregnancy, a ten-year survey (Hoffman and Suzuki), 1338
- perforative, with generalized peritonitis in late pregnancy (Zeigler and Lawrence), 152
- Apresoline in hypertension of pregnancy (Sherman and Riva), 1075
- Arkansas Obstetrical and Gynecological Society, founding of, 228 (Item)
- Arrhenoblastoma of ovary (Hughesdon and Fraser), 1160 (Abst.)
- Arteriovenous aneurysm of uterus (Williams), 198
- Artificial respiration, adventures in (Karpovich), 457 (B. rev.)
- Assises françaises de gynécologie de 1954, 228, 1380 (Items)
- Atelectasis in newborn, significance of (Bruns and Shields), 1231
- Atlante di citodiagnostica del carcinoma dell'utero (Mantella), 456 (B. rev.)
- Atresia, vaginal, treatment with heteroplastic homologous transplant (Ramariz), 217 (Abst.)
- Aureomycin in puerperal mastitis (Neuweiler and Kästli), 219 (Abst.)
- in urinary infections (Everett and Long), 918
- B**
- Bacterial infections in female, antibiotics in (Everett and Long), 926
- Bacteriology of vaginal trichomonad infestations (Lash), 138
- Bakteriologische Nährböden (Hallmann), 459 (B. rev.)
- Bartholin's gland, carcinoma of, primary, with five-year survival (Finn and Mc Padden), 181
- squamous-cell, histochemical enzyme study of (Denham and Foraker), 1151
- Benign disease, total hysterectomy for, study of cervix removed at (Wesley), 293
- lesions causing postmenopausal uterine bleeding (Brewer and Miller), 992
- of uterus, radium in treatment of (Hunter et al.), 121
- Bilateral agenesis of kidneys in two consecutive infants (Baron), 667
- Krukenberg tumors and pregnancy (Gustafson et al.), 1217
- ureterosigmoid transplant for exstrophy of bladder, pregnancy and delivery following (Lotimer), 281
- Birth injury, prematurity, and congenital malformation—proceedings (Holt et al.), 1375 (B. rev.)
- Bladder dysfunction following Wertheim operation, prevention of (Cuaserna Gutierrez), 217 (Abst.)
- exstrophy of, bilateral ureterosigmoid transplant for, pregnancy and delivery following (Lotimer), 281
- pelvic pain and (Guerriero and Stuart), 1267
- postpartum (Funnell et al.), 1249
- Bleeding, recurrent, from vaginal vault following total abdominal hysterectomy (Hecht and Blumenthal), 195
- uterine, postmenopausal (Brewer and Miller), 988
- vaginal, abnormal (Bieren), 1091
- Blood and plasma volume during pregnancy (Adams), 744; (Ullery), 845
- coagulation defect associated with abruptio placentae following trauma (Ostreich et al.), 435
- massive postpartum hemorrhage associated with (Sawitsky et al.), 349
- maternal, lack of lytic substance in, is chorionepithelioma due to (Acosta-Sison), 634
- placental, sterility of stored (Siegel and Goldin), 1160 (Abst.)
- pressure, pulse, and venous pressure changes in pregnancy (Ullery), 848
- Rh problem in Toronto, survey 1947-1952 (Donohue et al.), 233
- Rh-negative patient, obstetrical management of (Low), 248
- use of, in cesarean section (Posner et al.), 70
- Bloodless circumcision clamp, Maryan's improved (Maryan), 442
- Bloxsom air lock, infant mortality before and after use of, in large maternity hospital (Bloxsom and Angeliq), 647
- Bone, sarcoma of, pregnancy following (Thompson), 810
- Books received, 460
- review of new, 451, 1368
- Booster estrogen therapy in infertility (Weir et al.), 585
- Bowel, carcinoma of, pregnancy following (Thompson), 817
- Breast, carcinoma of, pregnancy following (Thompson), 812
- cystic disease of, treated conservatively, natural history of (Patey and Nurick), 1160 (Abst.)
- in roentgen diagnosis (Leborgne), 458 (B. rev.)
- Breech delivery, aftercoming head in, maneuver for release of (Rush), 1164 (Correspondence)
- presentation, management of (Ware and Roberts), 768
- C**
- Calcified uterine fibroids, incidence of (Finkle et al.), 79
- Calculi, urinary, and pregnancy (Kremling), 220 (Abst.); (Solomon), 351
- infections complicated by (Everett and Long), 922
- Canada, Society of Obstetricians and Gynecologists of, 9th annual meeting, Wellesley Island, N. Y., June 5-7, 1953, transactions of, 233
